GUARANTEED ANALYSIS

Total Nitrogen (N).....5.0%
 5.0% Ammoniacal nitrogen
 Sulfur (S)12.0%

Derived from ammonium sulfate and sulfuric acid.

GENERAL INFORMATION

HYE-GREEN 5-0-0+12S is a water-soluble soil applied liquid fertilizer important to healthy plant development.

DIRECTIONS FOR USE

HYE-GREEN 5-0-0+12S is a soil amendment and delivers a valuable source of nitrogen and sulfur for treating nutrient disorders in crops. This product can be applied to increase nutrient availability to targeted crops and to help leach out harmful salts, in turn improving water infiltration. Application of this product should be made based on soil, water and plant tissue analysis.

RATE

Apply this product as a single or multiple applications with the minimum application rate of 1 pint per acre. Do not exceed 100 gallons per acre.

FERTIGATION: Fertigation programs should be designed to provide optimal nutrition over a desired period of time. HYE-GREEN 5-0-0+12S injection systems should be calibrated to be consistent with the irrigation system.

DANGER: Causes severe eye damage and skin burns. May cause respiratory irritation.

Precautionary Statements: Wear eye/face protection and protective gloves/clothing. Do not breathe in mist or vapor. Use only outdoors or in a well-ventilated area. Wash thoroughly after handling. Avoid release to the environment. **First Aid:** *If in eyes:* Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a doctor. *If on skin:* Immediately take off all contaminated clothing. Rinse skin with water. Wash contaminated clothing before reuse. *If swallowed:* Rinse mouth. Do NOT induce vomiting. *If inhaled:* Remove person to fresh air and keep comfortable for breathing. **Storage and Disposal:** Do not contaminate water, food or feed by storage or disposal. Keep out of reach of children. Store in a well-ventilated place. Keep container tightly closed. Store locked up. Dispose of contents/container in accordance with local regulations.

CONDITIONS OF SALE AND WARRANTY: GAR Bennett, LLC (GB) warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated when used in accordance with the use directions under normal conditions. GB neither makes, nor authorizes any agent or representative to make, any other warranties, express or implied, including fitness or merchantability. The directions for use of this product are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with use of this product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as timing and method of application, weather and crop conditions, presence of other materials, or other influencing factors, all of which are beyond the control of GB. Buyer and user acknowledge and assume all risks and liability resulting from the handling, storage and use of this material not in strict accordance with directions given herewith. In no case shall GB be liable for consequential, special, indirect, or incidental damages or losses resulting from the handling or use of this product. The foregoing is a condition of sale by GB and is accepted as such by the Buyer.
